EDUCATION

Pt. J. L. N Govt. College, Faridabad **2023 -2026**

Bachelor Of Computer Application (BCA) CGPA : 6.83

Govt. Sr. Sec. School, Saran ,Faridabad **2021 - 2022**

12th Senior Secondary (HBSE) Percentage: 80%

Experience

MERN Stack Developer - Trainee March 10, 2026 - Present

DUCAT India Faridabad, Haryana, India

- Completed 6 months of hands-on training in MERN Stack development, gaining practical experience building dynamic, scalable, and user-friendly web applications.
- Built full-stack applications using MongoDB, Express.js, React.js, and Node.js, covering both frontend interfaces and backend logic.
- Designed and consumed RESTful APIs, implementing secure CRUD operations and structured request handling. ˆ Implemented authentication and state management using tools such as Redux and the Context API to manage application-wide data flow.
- Worked with MongoDB for database design and management, structuring schemas for performance and scalability.
- Used Git, GitHub, and Postman as part of standard development work flows for version control and API testing.
